PRINCIPAL'S LETTER

to the Class of 2007

Welcome to the end of a short journey and the beginning of the long road ahead. As we stated at the beginning of each year, "It will be over before you know it". Well folks, this part is over. Fortunately, the great door of life is the next to open for you and your friends. I have counted on you to make Wilmington High School a great place and you have done more than meet my expectations.

Recently, I read the book "Undaunted Courage" by Stephen E. Abrose. It is the remarkable story of the Lewis and Clark Expedition. Most amazing were the risks that they and the members of their party took to find a way across the unknown areas of the Western US in the name of building this great Nation. I compare their trip to your most recent expedition in many ways. Since you entered school, you took risks, explored and learned about things you may never have known existed. In the same way Lewis and Clark worked, you did it alone and with others, but because you knew that somewhere out there lays the road for you to travel towards a successful future. You willingly accepted the challenge and were able to apply all you learned along the way. You may have also created change for others within the wake you left.

Each class that passes through WHS makes me wonder if I have been able to teach you anything at all. I'm not sure, but I know that all of the great people you have encountered along your journey have helped you to take greater steps into the future with less fear and more knowledge.

Remember the friends you have made along the way and the family members who believed in you. No matter your next step, you will always have your friends and family. Make sure you take the time to tell them that you love them as they will always be there for you to pick you up, push you along and point you in the right direction. You also have in your future the possibility to come back to Wilmington and join the fabric of the community as a resident or business person. Take this responsibility seriously as the strength of the community requires the very best of all you can give.

I am proud of all of you. I look forward to all you have before you. I wonder what impact you will have in the world and hope that the things we in the Wilmington Public Schools have taught you help to make all your dreams possible.

Best of luck!!
Mr. Tracy

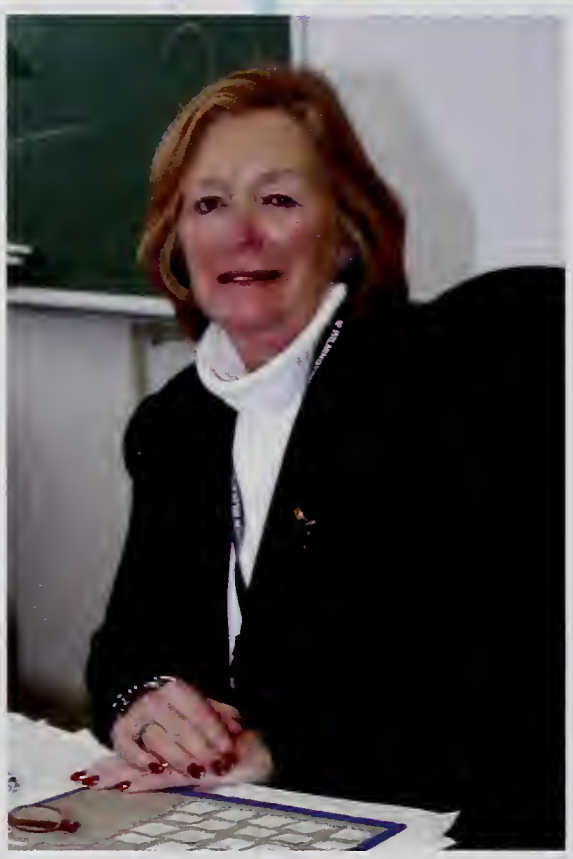
Wilmington High School's 2007 Hourglass Yearbook is proudly dedicated to

Mrs. Sarah Cosman



While teachers try their hardest to never miss school, it is important for them to know that their students will be well-looked after in their absence. Here at Wilmington High School, a teacher always knows students will be in good hands with Mrs. Cosman as their substitute.

As the first substitute called when a teacher is absent, Mrs. Cosman has become an integral component to the everyday workings of our high school. She could teach a science class one day and be a foreign language teacher the next.

But what makes Mrs. Cosman different from other substitute teachers transcends her duties in the classroom. Because of her ties to our community, her past work as a teacher here at the high school and her experiences coaching the cheerleading team in the past, Mrs. Cosman has won the hearts of the student body and faculty of WHS. As the school celebrates Spirit Week each year (a tradition she helped to initiate), she always joins in the fun by dressing the part and encouraging everyone's school spirit. And as for the rumor that she is responsible for writing the school fight song, she would be the first to admit that she had no hand in that, but we are sure that somehow this rumor will continue to circulate for years to come.

Mrs. Cosman, we admire your sense of style and your sense of self. We love your presence around the school. We appreciate your insight and your input. We are in awe of your school spirit. The Class of 2007 absolutely adores you! Thank you for all you have done for us over our past four years here at Wilmington High School.

Class History

The Class of 2007 has had an outstanding four years here at Wilmington High School. Starting our first year with advisors Ms. Jennifer Fidler and Ms. Lisa Desberg (now Mrs. Lucia), the young freshman class elected president Kristi Heffernan, vice president Dala Leonard, treasurer Stefanie Williams, and secretary Amanda Baker as officers, and our journey began. Learning to live with the ever-changing world around us, we adapted ourselves to high school and everything that came with it. Students began joining clubs and sports, working hard, and creating busy lives for themselves. As the war in Iraq began to break out, students were coping with issues here at the high school, especially with the sudden death of Justin O'Neil in January 2004. While our friends and families were going off to war, the freshman class was being introduced to hall passes, school I.D cards, and code 159 drills.

As President George W. Bush was reelected to another term in office, a new principal joined us here at our high school: Mr. Eric Tracy. As we welcomed our new principal with open arms and a commitment to excellence, the class elected Danielle Bamberg as president, Christine Cassim as vice-president, and Cara Jenkins as secretary. Stefanie Williams was reelected as treasurer. These officers would hold their titles throughout our final three years at WHS. That fall, the dream of every Red Sox fan came true when they defeated the St. Louis Cardinals to win the World Series, and a few months later, WHS celebrated again when the Patriots won another Super Bowl. Tragedy struck when the tsunami hit the coast of Indonesia, and the world came together to help the survivors rebuild. Here at WHS, the Class of 2007 did their part by creating clubs like the Wilmington's Helping Services (Club WHS) to aid both the world and the local community through fund-raisers and innovative community service projects. Even with all of this on their plates, the sophomores were working hard to pass all of their classes, as well as the dreaded MCAS tests.

As junior year crept up on us, the Class of 2007 began their college searches and plans for the future. As summer ended, Hurricane Katrina hit and left many dead or homeless in the bayou region. The country pulled together and worked hard to bring Louisiana back into a safe state. Many juniors were now getting driver's licenses and had the unfortunate opportunity to experience the harsh rise in gas prices. Meanwhile, juniors prepared for PSAT and SAT exams. Across the world, the war in Iraq was progressing slowly and allowed us to bring some troops home to their families. That April, the Class of 2007 held their junior prom at the Wakefield Sheraton. Dressed in their finest, the guests enjoyed an 'old-time Hollywood' prom and spent the night dancing and having fun. As the year ended, the class was left with many great memories. With their final high school summer vacation ahead of them, the Class of 2007 began their transition into senior year.

As we kicked off our final year at WHS, the varsity football team completed another successful season, beating Tewksbury for the fourth straight year during the Thanksgiving Day game. A new Spirit Week tradition was born: a pie-eating contest for the team captains during the Blue and White Day Pep Rally. The Senior Prom was held on May 11, 2007 at the Langham Hotel in Boston, where the students of the Class of '007 enjoyed a 'Casino Royale' themed night. Between college acceptances, final exams, and the senior banquet and lock-in, it is hard to believe that graduation is finally here.

Now that senior year is coming to a close and our four years at WHS are almost over, we can see how we have grown from young freshman into an inspirational, close knit class. Having endured life and death, destruction and growth, the Class of 2007 have grown into fine, young adults because of our experiences from the past four years. Finding strength in each other and creating friendships that will last a lifetime, we wish the best of luck to the entire Class of 2007.

This year's pep rally capped off the Spirit Week tradition. Hosted by seniors Brianne Bozzella and Maggie Sorentino, the rally included an awesome display of cheerleading spirit, an obstacle course for the Spirit Week winners, and a pie-eating contest for the fall sports team captains! Good Times Never Seemed So Good!

Mr. and Ms. WHS 2006

The 2006 Mr. and Ms. WHS competition was held in the auditorium on Tues., Nov. 14th. Hosted by Victoria Tanzella and Tom Barry (Mr. WHS 2005), contestants battled it out in four categories: personal talent, school spirit, individual interview, and WHS trivia. Competing for the title of Ms. WHS, Brianne Bozzella and Sarah Tavares both performed tremendously while those in the running for the title of Mr. WHS (Jesse Belding, Billy Crowley, James Ham, Eric Russo, and Brian Sullivan) also gave a great show.

In the end, Sarah Tavares and Brian Sullivan were crowned this year's Mr. and Ms. WHS.

Varsity Sports

Football

The 2006 Football Season ended on a strong note as the team finished as CAL champs and beat Tewksbury for the fourth consecutive year (a first in the history of this rivalry). The same Thanksgiving Day victory over Tewksbury gave Coach Almeida his 100th win.

While the team started slow with a 3-2 record, six straight wins (with tremendous victories over North Andover and Pentucket) put the team in good standing. Rich Barry had a great season, running over 1500 yards. Seniors Josh Mayo, Kyle Borseti, Greg Stewart, Brendan DeMango, and Ryan Jones also enjoyed a successful final season.

The 'Cats also qualified two wrestlers for the Division III State Tournament – 140 lbs captain Kenny Adams and 103 lbs headliner Steve Sughrue. They were a huge part of the team and both hit major milestones in their hockey careers. The team ended the season with an overall record of 19-3-1 and they couldn't have achieved this without the help of their dedicated coaches: Joe McMahon, Ken DeMaggio, Bob Murphy, Jim Dawson, Julie Brisbois, and Sherri Mills.

Academic Decathlon

Advisor: Mr. Kevin Riley

The Wilmington Academic Decathlon competes with teams of students from high schools across the state in a series of ten academic events. These events cover Economics, Language and Literature, Mathematics, Music, Fine Arts, and Social Science. Students are given awards based both on individual and team achievements. A unique aspect of the program is that each nine-member team must consist of three students each with "A", "B", and "C" grade point averages. Students may be in any grade and an unlimited number of alternatives may also compete.

Bread and Roses

Advisor: Mrs. Sue Rowe

Bread and Roses is a club open to all students in the school that want to help out by bringing in food for the less fortunate. We collect such things as cans, paper towels, cooked meals, and desserts. After collecting the food it is brought to Bread and Roses in Lawrence where the less fortunate go to have a good meal.

Chess Club

Advisor: Mr. David Sundberg

Chess club is where the school's premier chess players meet every Monday to engage in battles of wits. Under the direction of Chess Master Sundberg, members of the club learn and develop their games in order to improve. Meetings are held in Room 207 from 2:05 to 3:30 pm.

Club WHS

Advisor: Mrs. Lisa Lucia

Club W.H.S. is a newly formed club by Mrs. Lucia, the club advisor, Richie Ferullo, the president, and Stefanie Williams, the vice-president. It helps promote a sense of community and an enriching, practical life experience. Furthermore, a bond is forged between high school students and the town of Wilmington in which they live in. From picking up litter, to cleaning teacher's rooms, to helping out at the Buzzel senior center, this club offers their services to anyone. It is important to not only take from the community, but to also give back.

Concert Choir

Advisor: Mr. Jason Luciana

The Concert Choir is a 32-member group of singers who rehearse classical, jazz and pop repertoire daily. While rehearsing, the choir also studies music theory, history and performs presentations on a regular basis focused on a topic being studied during the year. This year, the Concert Choir was proud to have been able to perform in New York City at St.. John the Divine Cathedral, the largest cathedral in the world.

Dance Dance Revolution

Advisor: Mrs. Tara Ettinger

DDR is a revolutionary game mainly for the Playstation 2 (and arcades, and occasionally XBox) that involves jumping around on a foam mat to techno music. It's not exactly dancing, but it's close enough. That's where the game obtains it's name: Dance Dance Revolution. Obviously DDR club is a group of wacky kids who dedicate the occasional Friday afternoon to this strange craze.

Drama Club

Advisor: Mr. Jason Luciana

The WHS Drama Club is composed of students who rehearse and perform in various theatrical productions throughout the school year. We not only perform a Spring musical each year, but we also compete in the Massachusetts High School Drama Guild Festival; a one act competition held in the late Winter. We also take field trips on a regular basis to venues like the North Shore Music Theatre, Improv Boston and the University of New Hampshire to attend performances and workshops to improve our craft.

Expressions

Advisor: Ms. Tammy Ross

"Expressions,." Wilmington High School's Art and Literary Magazine, showcases the art, poetry, fiction, and other creative work of students in grades 9-12. "Expressions" is open to all students interested in the planning and the production of the publication, which comes out each spring. The first edition came out in Spring 2003, and the Spring 2005 edition was recently recognized by the National Council of Teachers of English (NCTE). The publication received an "Excellent" rating in NCTE's Program to Recognize Excellence in Student Literary Magazines.

Foreign Language Club

The Foreign Language Club is a club where a diverse group of people can come together to learn and have fun with the different cultures around the world. In the past, the club has held fundraisers to help benefit children in poverty-stricken countries and help them have a better life. The Foreign Language Club has also gone on a field trip to witness Flamenco dancing up close, followed by an authentic Spanish feast. This club has learned to salsa dance, created traditional holiday mosaics, and so much more.

Gay Straight Alliance

Advisor: Mr. Jason Luciana

The G.S.A. is a group of students who focus on diversity in our complex society. We meet twice a month to discuss issues such as race, homosexuality and religious diversity and their place both in the schools and in the world at large. This year the G.S.A. attended the GLBT Youth Conference in Tewksbury, MA in an outreach attempt with other schools.

Marching Band

Advisor: Ms. Barbara Mette

WHS's marching band is very active throughout the year. In August, band members attend band camp and begin working on their marching. They perform a halftime show at each home football game—this season their theme was movie soundtracks and they performed songs from Pirates of the Caribbean, Shrek, and Grease. The band also performs in several parades each year, and every other year they take a trip. Last year they marched in the parade down Main Street USA in Disney World. This year, the band and colorguard had over 100 members.

Math League

Advisor: Mrs. Gayle Masse

Wilmington High School is a member of the New England Math League. As part of this league, the WHS Math League members compete in a monthly test. The club meets on the first or second Tuesday of every month, where meetings consist of members taking a six question test in an allotted amount of time.

Medical Careers Club

Advisor: Mrs. Sue Rowe

The medical careers club is a club for anyone interested in working in some kind of health care or medical research career. The members go on field trips and have guest speakers to learn more about possible careers; they have gone to New England Medical Center, Children's Hospital and Lahey Clinic to shadow healthcare professionals. Every other year, the members organize and attend a Medical Careers Cub Open House, where many professionals including dentists, nurses, social workers, researchers and paramedics set up booths about their profession and answer questions. The club's goal is to help students decide if a career in medicine is right for them.

Mentors

Advisor: Ms. Linda Peters

Mentoring is a program where older students show the new freshman around WHS. It helps freshman find their classes, open their lockers, and meet the upperclassmen. Besides having the usual orientation day, the mentors had an ice cream social, so the freshman and their parents could ask questions. Also, a mentor-freshman volleyball/pizza night was held, which was very successful.

Mock Trial

Advisor: Mr. Mark Staffier and Ms. Tracey Kassin

The 2007 Mock Trial Program attracted 115 high school teams from all regions of the commonwealth. The goal of the program is to further an understanding of the law, court procedures, and our legal system while helping students to sharpen their analytical, listening and speaking skills. It also seeks to promote better communication and cooperation between the school community and legal profession. This year, the defendant was charged with Vehicular Homicide while under the influence of alcohol by operating negligently, a felony.

Model UN

Advisor: Mr. Matthew Hackett

Model UN gives students the opportunity to discover through simulation how the United Nations works to collectively promote world peace and cooperation on a variety of issues. The main focus of the club is to prepare to attend conferences in which each student is assigned a country and a council of the UN which is debating a particularly important international current affair and must work to compromise and pass a resolution. Students who enjoy politics, world affairs, other cultures, debating, and compromise will love Model UN.

National Honor Society

Advisor: Mr. Joseph Kleponis

The National Honors Society has been recognized for a number of projects this year. They have been dedicated to the Wilmington Food Pantry as well as participating in the annual food drive. Their biggest undertaking involved organizing a competitive food drive around the high school, which raised over 1000 non-perishables for the food pantry and local heroes.

Rotary Interact

Advisor: Mr. Jack Cushing

Rotary Interact is a great community service club filled with energetic and caring students. We have done countless acts of community service around our community. This year, we are sending a cow to a third world nation for our international project. Most of our events benefit senior citizens in the community. The Wilmington High Interact Club attended a district 7930 meeting to integrate with nearby clubs and set up fundraisers that benefit the community.

S.A.D.D.

Advisor: Mrs. Meghan Estrada

Students Against Destructive Decisions is a club dedicated to raising awareness about potentially dangerous situations students can get into. The mission of S.A.D.D. is "To provide students with the best prevention and intervention tools possible to deal with the issues of underage drinking, other drug use, impaired driving and other destructive decisions." Throughout the year, S.A.D.D. has done the annual anti-smoking campaign, surveys of aggressive driving, "Grim Reaper Day", the "Lights on for Life" campaign, and the Deana's Fund skits with the middle school students and parents.

Science Club

Advisor: Mrs. Michelle Hooper

The Science Club is in its third year and we have more members involved this year than ever. The members participate in engineering and science projects like catapults, rockets, chromatography, growing crystals, etc. We also have had great field trip opportunities like Bodyworlds 2, visiting medical laboratories, and working with a pathologist. The club gives students an opportunity experience science that is different from the classroom.

With 96 members, the Strings group has performed for the Mayor of Huddersfield, England, The High Sheriff of Nottingham, The Mayor of the 3rd Arrondisement in Paris, the Lord Mayor of Dublin, and the Assistant Mayor of Quebec. Traveling to Venice, Lucca, Assisi, and Rome this year, 85 members performed for local dignitaries. Prior to their tour, they received letters from Sens. Kennedy, Kerry, Mayor Menino, and Gov. Patrick for presentation overseas at their concerts. The group also raised $9,000 to donate the sign displayed on the lawn of the High School.

Student Council

Advisor: Ms. Linda Peters

Student Counsel is a club where students participate in discussions about how to better WHS. They also do fundraising for charity organizations. This year, student counsel adopted a family for Christmas, buying a seven year old lots of presents. During February, heart month, they sold paper hearts with messages, and donated the money to the American Heart Association. Student Counsel is also holding a band showcase, with five local bands.

Wildcat News

Advisor: Mrs. Joyce Beckwith and Mrs. Marie Shack

The Wildcat News is the student produced newspaper with articles on school events and sports, editorials, fiction and artwork. Students also write articles on current political issues, local professional sports teams, and they review new music, books, television shows and films. There are also teacher and student interviews.

Yearbook

Advisor: Ms. Jennifer Fidler

The yearbook is a group of dedicated students and a teacher advisor that works together to create the 2006-2007 yearbook. Students worked throughtout the year to layout pages and take pictures from different school events. The yearbook includes major events from the previous spring and current fall and winter terms. Along with the yearbook, members of this club help to create the CD supplement that contains all the spring activies including Senior Prom, Lock-in, and graduation.

Class of 2007

Advisors: Mrs. Lisa Lucia and Ms. Jennifer Fidler

The Class of 2007 Officers put FUN back into fundraising; they spearheaded the Krispy Kreme sale at the Homecoming football game, a Monopoly Tournament, a Valentine's Day rose sale. Danielle Bamberg, Christine Cassim, Cara Jenkins, and Stefanie Williams enjoy planning and executing activities such as the senior/faculty basketball game and the prom fashion show. They make sure everyone is enjoying themselves, while partaking in all the fun as well. Thanks to the Class of 2007 "Good Times Never Seemed So Good."

Class of 2009

Advisors: Mrs. Dawn Martell and Mrs. Linda Bavuso

The sophomore class has many plans to earn money to defray the cost of the Junior and Senior Prom tickets. In 2006-7 we: are selling glow sticks and T-shirts, and of course the Freshmen Sophomore Spring Fling is planned for March. In addition we are planning a "restaurant luncheon" on an early release day, a breakfast at IHOP after exams one day, a skating/or bowling night and many others. In general, the officers have been working very hard for their class.

Student Representatives to the School Committee

The Student Representatives are a small group of upperclassmen. The students go to the school committee meetings to report on ongoing student activities. If anything discussed during the meeting pertain directly to the student body, the students offer their opinion.

Class of 2008

Advisors: Mrs. Tara Ettinger and Ms. Maureen O'Mara

The Class of 2008 officers, Louie Cimaglia, Joe Foley, Sarah Turner and Lauren O'Brien, have been busy raising money for Junior Prom. Tom Barry, Karen Nguyen, Krista Murphy, and Korrine Ghafari worked with the officers to help raise money for the class. With the help of their advisors, Ms. O'Mara and Mrs. Ettinger, they have planned many fundraisers for the future. So far, the Junior Class has done fundraisers such as selling beads for Blue and White Day, pies for Thanksgiving and green carnations for St. Patrick's Day.

Also, the girls' beautiful hairstyles were provided by The Platinum Door in Wilmington. Senior-Faculty Basketball Game

BASKETBALL GAME - SENIOR-FACULTY BASKETBALL GAME - SENIOR-FACULTY BASKETBALL GAME

One of the biggest events of the year, the Senior-Faculty Basketball Game, was held Thursday, March 16, 2007 in the WHS Gymnasium. Students and faculty watched as the Class of 2007 was brought down by the strength and agility (and height) of the WHS faculty. With numerous baskets by new math teacher, Mr. Sundberg and a key free-throw by Mrs.. Cosman, the teachers were unstoppable. While student coaches, Nick Duggan and George Boudreau, certainly gave it their all, in the end, the teachers showed the students how the game was played. Perhaps next year's seniors will reclaim the championship.

A. The fury within

Violence by insurgents and sects increased in Iraq despite efforts by Iraqi police and troops from the U.S. and other countries. More than 3,000 U.S. troops died in Iraq since March 2003. Iraqi authorities reported almost 17,000 of their countrymen died in that period, although estimates varied greatly. The U.N. estimated more than 1 million Iraqis fled their homes.

B. Iraq War reexamined

The Bush administration revised its Iraq strategy after a spike in sectarian violence, the results of the November elections and the Iraq Study Group report. Donald Rumsfeld stepped down as defense secretary a day after the elections; Robert Gates, a former CIA chief, stepped into the position. And President George W. Bush proposed an increase of more than 20,000 U.S. troops in Iraq.

C. Rising again

Rebuilding along the Gulf Coast continued following the fall 2005 hurricanes Katrina and Rita. In New Orleans, 74 percent of all schools, and 49 percent of public schools, were open as of December, reported The Brookings Institution, a private research group. Another such group, Rand Corp., predicted the city's population by September 2008 would be 56 percent of the pre-Katrina total.

D. Earth burns, quakes

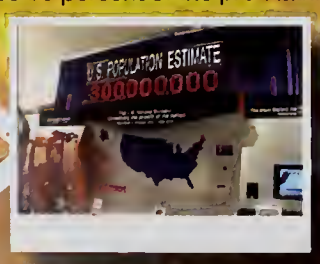
Mother Nature stayed active in the fall, with an earthquake in Hawaii, record-setting rains and floods in the northwest U.S., and a record early October snowstorm in Buffalo, N.Y.. Five firefighters were killed in a wildfire in southern California that authorities determined was arson.

E. Winter puts life on hold

Holiday blizzards dumped as much as four feet of snow in parts of Colorado and Kansas. Then record warmth in the northern and eastern U.S. stalled skiing, ice fishing and ice hockey, but brought out golfers and flowers, before a massive ice storm and freezing temperatures gripped Texas northward to Maine. And more than 100 inches of snow fell in upstate New York.

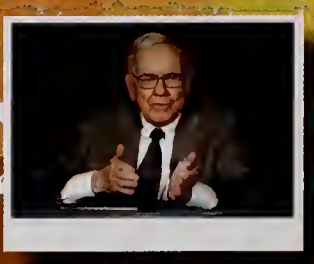
F. Food safety

E. coli bacteria appeared in produce shipped to several states, raising safety concerns. At least 175 people became ill after eating fresh spinach, and two people died. Lettuce was deemed the culprit when people in the Northeast U.S. became ill after eating at Taco Bell.

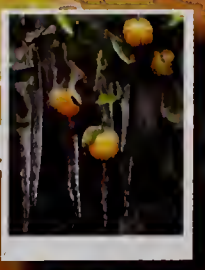


The U.S. Census Bureau estimated the country grew to 300 million people in October.

Katie Couric became anchor of the CBS Evening News.



Billionaire Warren Buffet planned to give 85% of his Berkshire Hathaway fortune to philanthropic foundations.



Freezing temperatures in January destroyed 75% of California's citrus crop.

G. Hussein gone

Former Iraq president Saddam Hussein and other officials of his regime were executed for crimes against humanity after being found guilty in the deaths of 143 people from the town of Dujail in 1982. He was hanged in a chamber where his regime carried out death sentence orders.

H. 9/11 five years later

Ceremonies marked the fifth anniversary of the 9/11 terrorist attack. Tributes took place at Ground Zero, where the World Trade Center towers once stood in New York, at the Pentagon and at Shanksville, Pa. Meanwhile, work continued on Freedom Tower, the skyscraper that will replace the World Trade Center towers.

I. A new Congress

Voters in the November midterm elections gave the Democrats a majority in Congress for the first time in a decade. With the victory, Rep. Nancy Pelosi, D-Calif., became the first female speaker of the House. The majority in the Senate was in jeopardy for a time because Sen. Tim Johnson, D-S.D., underwent brain surgery for intracerebral bleeding in December.

J. President Ford dies

Gerald R. Ford Jr., 93, the 38th president, died at home in California in December. Ford was the only president and vice president never to be elected to those offices. He was appointed vice president by President Richard Nixon, and he assumed the presidency when Nixon resigned amid the Watergate scandal in the 1970s. Ford is remembered for pardoning Nixon.

K. Communities shattered

Three school shootings in one week in the fall took the lives of nine people. Charles C. Robert IV entered the one-room West Nickel Mines Amish School in Pennsylvania and shot 10 girls, ages 6 to 13, and then himself. Five girls and Roberts died. In Wisconsin, a 15-year-old student at Weston School shot his principal, and in Bailey, Colo., a man shot a 16-year-old girl and himself after a standoff.

L. Ailing leader

Cuban officials claimed President Fidel Castro was slowly recovering from major surgery, and planned to return to power when he was well. Although Castro issued a message on New Year's Day, the 48th anniversary of his revolution, the fact that he had not been seen and few photos were released fueled speculation about the true condition of his health.

M. Ethics charge

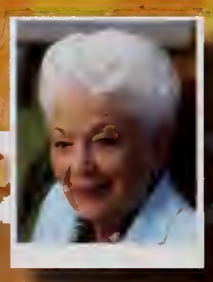
Durham County, N.C., prosecutor Michael Nifong was charged with ethics violations in the case of three Duke University lacrosse teammates accused of sexual assault. The North Carolina bar filed the charges against Nifong, claiming he made inappropriate statements to the media about the suspects and DNA evidence.

N. Continent in turmoil

Armed conflict and starvation continued across Africa. Somalia, with the help of Ethiopia, fought to quell Islamic militants. The U.S. made airstrikes against militants thought to be hiding al Qaeda suspects in the 1998 bombings of U.S. embassies in Tanzania and Kenya. In Sudan's Darfur region, the United Nations sought help for starving refugees amid fighting between rebels and government militia.

O. They come; should they go?

Congress, the president and American citizens grappled with the emotional and economic issue of illegal immigration. The debate ranged from sending home all people in the U.S. illegally and fining employers who hire them to amnesty and a guest worker program. President George W. Bush signed a bill to build 700 miles of new fencing along the U.S.-Mexican border.



Former Texas Gov. Ann Richards, famous for a 1988 Democratic convention speech, died in Austin.

P. Removing trans fats

Use of trans fats was stopped in some high-profile settings. New York City's health board banned them in restaurants, as did Universal Parks and Resorts and Walt Disney Resorts at their U.S. parks. Trans fats are less expensive to use, but increase bad cholesterol levels, a factor in heart disease.

Q. Helping hand

Oprah Winfrey opened a school for disadvantaged girls in South Africa, named the Oprah Winfrey Leadership Academy. Winfrey plans to build a second school for boys and girls in South Africa.

The Kremlin denied the accusation. The investigation strained the relationship between the Russian and British governments

S. U.S. pressures Iran

Photo credit: AP/Wide World Photos

The United Nations Security Council passed a resolution imposing sanctions on Iran to stop uranium enrichment, which Iran claimed was for electricity generation and not weapons. The U.S. also announced sanctions against Bank Sepah, which provides international banking services in the Middle East.

T. Ask for it by name

Pseudoephedrine is a great decongestant when you have a cold. Unfortunately, it is also used to make methamphetamine, so the government made pharmacies take products such as Sudafed and Drixoral off the shelves. Now adults who want the medicine, must ask for it, show photo identification and sign a logbook.

C. The '80s are back

Long sweaters, leggings, tall boots, wide belts, big black sunglasses and big jewelry – designers took 1980s fashions for women and gave them a twist for the new century. And fashion went beyond clothes, with cell phone bling in the form of stickers, faceplates, charms and holders.
